“To those who believe, Christ is the sure foundation. These are they who fall upon the Rock and are broken. Submission to Christ and faith in Him are here represented. To fall upon the Rock and be broken is to give up our self-righteousness and to go to Christ with the humility of a child, repenting of our transgressions, and believing in His forgiving love. And so also it is by faith and obedience that we build on Christ as our foundation.” Desire of Ages, p.599
