"Now is our day of probation, and **we are now to perfect characters** that will stand the test of the judgment. **When Christ comes, there is to be no change of character**; this mortal shall put on immortality, and this corruption shall put on incorruption; and those who are alive and remain upon the earth will be caught up to meet the Lord in the air, **if their characters are blameless and pure. Transformation of character must take place during the precious hours of probation.**" — The Signs of the Times, August 29, 1892.
