“The book of life contains the names of **ALL** who have ever entered the service of God.... As **the books of record** are opened in the judgment, the lives of all who have believed on Jesus come in review before God. Beginning with those who first lived upon the earth, our Advocate presents the cases of each successive generation, and closes with the living. Every name is mentioned, every case closely investigated. Names are accepted, names rejected. When any have sins remaining upon the books of record, unrepented of and unforgiven, **their names will be blotted out of the book of life**, and the record of their good deeds will be erased from the book of God’s remembrance.” [Emphasis supplied.] Ellen G. White, The Great Controversy, p. 481-484.
